STORAGEBIRD Solo 35-UB
Extended storage

Issue February 2008

Pages 2

The STORAGEBIRD SOLO 35-UB is an stationary external 3.5-inch hard disk drive which provides up to 1 TB of storage for your important and precious and data files. It is designed for home and office users and is easy to install at the USB port of the client system. Equipped with high-speed USB 2.0 interface, the STORAGEBIRD SOLO 35-UB delivers fast data transfer up to 480 Mbps.

Thanks to intelligent power management it lives up to the green aspect. The fan-less design enables convenient and silent operation. With smart backup facilities protection of your precious data is a breeze!

Highlights

- Stationary external 3.5-inch hard disk
- Elegant and compact design with blue LED status indicator
- Vertical and horizontal operation possible through separate stand for the desk
